This Financial Assistance Award approved by the Federal Co-Chair of the Denali Commission constitutes an obligation of federal funding.					
<b>Award Close-out and De-obligation of Denali Commission Funding</b>  This amendment is to programmatically and financially close-out this award. The Denali Commission award funding was not fully expended by Agrium because it was determined, by Agrium, that current economics were not sufficient to proceed with a gasification facility to supply coal-based syngas to the Agrium Kenai nitrogen facility. Funding in the amount of \$676,241.04 is reduced in the Commission database and \$676,241.00 (cents cannot be represented in GrantSolutions) is reduced in GrantSolutions on this award for close-out.
